How do I check the revision history for a Google Doc?

You can check the revision history for a document as well as revert to a previous version of a document within your Google Drive.

1. Access your Google Drive.
2. Open a document you wish to review.
3. Click on the Last edit was made... link at the top of the document.
4. The Revision history bar will appear along the right-hand side of the document.
5. Click on revision item to see the revisions that took place during that time.
6. To return to a previous version of the document, click the Restore this revision link.
